Board Leadership Structure

The Board does not have an express policy regarding the separation of the roles of Chief Executive Officer and Board Chairman, as the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. Currently, Lawrence Mehren serves as the Company's Chief Executive Officer and John Patience serves as the Chairman of the Board. The Board believes that its current leadership structure best serves the objectives of the Board's oversight of management; the ability of the Board to carry out its roles and responsibilities on behalf of the shareholders; and the Company's overall corporate governance. The Board also believes that the current separation of the Chairman and CEO roles allows the CEO to focus his time and energy on operating and managing the Company and leverage the experience and perspectives of the Chairman.

Board Oversight of Risk Management

The full Board has responsibility for general oversight of risks facing the Company. The Board is informed by senior management on areas of risk facing the Company and periodically conducts discussions regarding risk assessment and risk management. The Board believes that evaluating how the executive team manages the various risks confronting the Company is one of its most important areas of oversight. The Audit Committee reviews and assesses the Company's processes to manage financial reporting risk and to manage investment, tax, and other financial risks. Finally, management periodically reports to the Board or relevant committee, which provides guidance on risk assessment and mitigation.

Family Relationships

There are no family relationships between any of our directors or executive officers.

Section 16(A) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of securities ownership and changes in such ownership with the SEC. Directors, executive officers and greater than 10% shareholders also are required by SEC rules to furnish the Company with copies of all Section 16(a) forms they file.

Based solely upon a review of the copies of such forms furnished to the Company or written representations that no Form 5s were required, the Company believes that all Section 16(a) filing requirements were timely met during the fiscal year ended December 31, 2013.

Code of Ethics

The Company has adopted a code of ethics for its principal executive officer and senior financial officers and a code of ethics and standards of conduct that is applicable to all directors, officers and employees. Shareholders may request a free copy of these documents from: Accelerate Diagnostics, Inc., 3950 South Country Club, Suite 470, Tucson, Arizona 85714, Attn: Corporate Secretary.

Audit Committee

The Board maintains a standing Audit Committee comprised of Mr. ten Brink (Chairman), Mr. Schuler and Dr. Strobeck. Each member of the Audit Committee satisfies the independence standards specified in Rule 5605(a)(2) of the NASDAQ Listing Rules and the related rules of the SEC and has been determined by the Board to be "financially literate" with accounting or related financial management experience. The Board has also determined that Mr. ten Brink is an "audit committee financial expert" as defined under SEC rules and regulations, and qualifies as a financially sophisticated audit committee member as required under Rule 5605(c)(2)(A) of the NASDAQ Listing Rules. The Audit Committee has a written charter, which was adopted on November 3, 2005 (when the Company's name was "Accelr8 Technology Corporation" and the Company's common stock was listed for trading on the AMEX Stock Market), a copy of which was attached as Appendix A to the Company's Definitive Proxy Statement on Schedule 14A filed on November 5, 2013. The Audit Committee met four times during the fiscal year ended December 31, 2013.

The Audit Committee is responsible primarily for overseeing the qualifications, independence and performance of our independent public accountants; the services performed by our independent public accountants; evaluating the Company's accounting policies and system of internal controls; and reviewing significant financial transactions. In carrying out this purpose, the Audit Committee maintains and facilitates free and open communication between the Board, the independent public accountants, and our management.

Director Nominations

The Board seeks to ensure that it is composed of members whose particular experience, qualifications, attributes and skills, when taken together, will allow the Board to satisfy its oversight obligations effectively. The Board does not currently have a separate Nominating Committee because the Board does not yet believe such a committee is necessary. However, as the Company continues to grow, the Board may consider establishing a separate Nominating Committee. Currently, the independent members of the Board are responsible for identifying and appointing appropriate persons to add to the Board when necessary. In selecting Board candidates, it is the independent directors' goal to identify persons who it believes have appropriate expertise and experience to contribute to the oversight of a company of the Company's nature while also reviewing other appropriate factors.

Qualifications of Directors

The Board believes that each of its directors have the experience, qualifications, attributes and skills that, when taken as a whole, will enable the Board to satisfy its oversight responsibilities effectively. The following factors were among those considered in determining whether each director would make valuable members of the Board:

Lawrence Mehren: In addition to his experience as the Company's President and Chief Executive Officer and a member of our Board of Directors, Mr. Mehren has significant prior experience in the medical diagnostics industry. Item 13. Certain Relationships and Related Transactions, and Director Independence

Related Party Transactions

On July 12, 2013, the Company filed a prospectus relating to a rights offering pursuant to which it distributed, at no charge to holders of our common stock, as of 5:00 p.m., New York City time, on July 8, 2013, non-transferable subscription rights to purchase an aggregate of up to 2,487,562 shares of common stock (collectively, the “Rights Offering”). For each share of common stock held by a stockholder of the Company at the close of business on the record date, such stockholder received 0.064038 subscription rights. Each whole subscription right allowed the holder thereof to subscribe to purchase one share of common stock at a subscription price of \$8.04 per share. The terms of the Rights Offering also enabled stockholders to exercise an over-subscription privilege, subject to the conditions and limitations described in the prospectus.

Pursuant to a Standby Purchase Agreement, Abeja Ventures, LLC (the “Standby Purchaser”) agreed to purchase any subscription rights remaining unexercised after the expiration of the Rights Offering at the \$8.04 per share subscription price in a private transaction separate from the Rights Offering. As of the date of the Standby Purchase Agreement, the Standby Purchaser was owned by, among other individuals and entities, Lawrence Mehren, John Patience, Jack Schuler and Matthew W. Strobeck, each of whom was a director of the Company. Messrs. Mehren and Patience also served as managers of the Standby Purchaser. No fees or other consideration were paid by the Company to the Standby Purchaser in exchange for its commitment under the Standby Purchase Agreement.

Schuler Living Trust, a trust controlled by Mr. Schuler (as assignee of the Standby Purchaser’s rights under the Standby Purchase Agreement), for a total cash purchase price of \$3,321,243.60.
